### **RAPORT**

**privind diminuarea materiei impozabile cu bunuri mobile ce aparțin  
persoanelor fizice cu roluri fiscale înregistrate în evidențele Municipiului Craiova  
ce nu pot fi identificate**

În baza de date a Direcției Impozite și Taxe din cadrul aparatului de specialitate al Primarului există roluri fiscale în care sunt evidențiate debite vechi ce nu pot face obiectul urmăririi și executării silite întrucât titularii de rol fiscal sunt persoane fizice ce nu pot fi identificate și pe cale de consecință stabilit domiciliul actual.

Această situație se datorează lipsei codului numeric personal (CNP) care nu a fost înscris în declarațiile date de către contribuabili - proprietarii bunurilor mobile.

În lipsa CNP-ului, demersurile întreprinse de către Direcția Impozite și Taxe la S.P.C.E.P. atât la nivel local cât și județean pentru stabilirea domiciliului actual al debitorilor au rămas fără rezultat, contribuabilii evidențiați în cauză neputând fi identificați.

Astfel, debitorilor – titulari ai rolurilor fiscale anexate la prezentul referat nu li se pot stabili elementele de identificare (identitate) actuale; elementele de identificare existente sunt insuficiente și/sau sunt foarte vechi, fără a putea fi asociate anumitor persoane fizice. Mai mult, dosarele fiscale ale debitorilor nu conțin informațiile necesare pentru stabilirea identității proprietarilor (codul numeric personal) și nici a bunurilor acestora (serie șasiu compusă din 17 caractere), aspecte obligatorii pentru deschiderea și finalizarea unui dosar de executare.

De asemenea, facem precizarea că la o parte din aceste roluri nu există în arhiva autorității locale dosarele fiscale ale mijloacelor de transport respective, întrucât nu au fost predate la nivelul anului 1999 de către Administrația Finanelor Publice Craiova cu ocazia preluării de către Primăria Municipiului Craiova a activității de administrare a creanțelor fiscale.

Lipsa codului numeric personal de pe documentele administrativ-fiscale, precum și lipsa identificării unui domiciliu conduc la insuficiența emiterii unor acte de executare. Ineficiența constă în faptul că, atâta timp cât actele de executare nu conțin anumite elemente de identificare ale debitorului și nu sunt comunicate acestuia, conform art. 44 din O.G. 92/2003, ele nu produc efectele prevăzute de lege, în sensul că organul fiscal nu poate pretinde executarea obligațiilor stabilite prin acestea.

În teren, la adresele de domiciliu înregistrate la rolul fiscal nu s-au putut identifica persoane care să poată furniza informațiile utile despre debitori (extras nota de constatare teren – „nu se știe nimic despre debitor”).

Lipsa informațiilor și a datelor actualizate nu poate fi acoperită, așa cum rezultă din documentele cuprinse în dosarele anexate la prezentul referat.

Bunurile mobile – autoturisme, motociclete, motorete, generatoare a acestor debite nu pot face obiectul executării silite întrucât sunt neidentificabile în teren. Mai mult, aceste autoturisme, motociclete și motorete nu figurează în Parcul auto al Municipiului Craiova, bază de date ce a fost comunicată pe suport electronic, de către Serviciul Public Comunitar Regim Permise de Conducere și Înmatriculare a Vehiculelor Dolj în cursul anului 2012 și actualizată în anul 2013.

Astfel, rezultă că în baza de date a Direcției Impozite și Taxe Craiova există roluri fiscale în care sunt evidențiate debite ce nu pot face obiectul urmăririi și executării silite întrucât titularilor de rol – persoane fizice nu li se pot atribui un cod numeric personal și/sau un domiciliu actual. Acestea se datorează faptului că la data la care s-au făcut declarațiile și s-au depus documentele justificative codul numeric personal – ca element de identificare a persoanei – nu există sau nu era obligatoriu de notat în actele/evidența fiscală. Întrucât documentele justificative sunt vechi (unele sunt peste 20 de ani vechime) nu se poate alocă un cod numeric personal la momentul actual, fapt ce rezultă din corespondență purtată pe parcursul anilor cu Serviciul Public Comunitar de Evidență a Persoanei (atât local cât și județean). Raționamentul este asemănător și pentru identificarea domiciliului, întrucât datele utilizate sunt aceleași.

De asemenea, bunurile mobile – autoturisme, motociclete/motorete – ce generează debitele evidențiate la aceste roluri nu sunt identificabile în baza de date a Serviciului Public Comunitar Regim Permise de Conducere și Înmatriculare a Vehiculelor Dolj.

Deși pe de o parte se constată imposibilitatea identificării persoanei fizice înregistrate ca debitor în evidențele fiscale, atât în bazele de date locale/naționale, cât și pe teren, la ultimul domiciliu cunoscut, pe de altă parte, autoturismele generatoare de debite fiscale nu figurează înregistrate în baza de date a Serviciului Public Comunitar Regim Permise de Conducere și Înmatriculare a Vehiculelor Dolj și, în lipsa unui domiciliu al proprietarului, nici nu pot fi identificate în teren.

Având în vedere cele prezentate, propunem Consiliului Local al Municipiului Craiova, în conformitate cu pct. 237, Titlul IX din H.G. 44/2004 pentru aprobarea normelor metodologice de aplicarea Legii 571/2003, privind Codul Fiscal, dispozițiile art. 141 alin. 4 din O.G. 92/2003, privind Codul de Procedură Fiscală, republicată, dispozițiile art. 45 din O.G. 92/2003, privind Codul de Procedură Fiscală, republicat 2007 coroborate cu art. 36 alin. 2, lit. b), alin. 4, lit. c), alin. 9 și art. 45, alin. 2, lit. c), din Legea 215/2001, adoptarea unei hotărâri privind diminuarea materiei impozabile cu bunuri mobile ce aparțin persoanelor fizice cu roluri fiscale înregistrate în evidențele Direcției Impozite și Taxe ce nu pot fi identificate, astfel încât nu pot face obiectul urmăririi și executării silite, conform anexei la prezenta.
